

LINCOLN REPUBLICANS OUT

Opening of the Campaign at the Capital City Last Night.

GREAT DEMONSTRATION ON THE STREETS

Marching Clubs Show Their Enthusiasm and Senator Burrows Makes a Striking Address at the Auditorium.

LINCOLN, Sept. 18.—(Special Telegram.)—There seemed to be no limit to the enthusiasm manifested as the republican clubs of Lincoln and nearby towns marched through the principal streets of the capital city to the Auditorium last night.

How They Marched.

The line of march extended from Ninth and P streets south to O street, east on O to Fifteenth street, south on Fifteenth to L street, west on L to Thirtieth street and north on Thirtieth street to the Auditorium.

How They Marched.

The second division was under command of J. C. F. McKensie of Emerald, who was assisted by Douglas Frye, acting as chief of staff, and Fred Kinyun, J. S. Baer, Roy L. Stewart, Frank A. Graham, G. W. Moseley, William Phillips, F. N. Tyrell, Thomas Pratt, F. H. Graham, Clayton Gable, the Heckman and George Weller. The order was as follows:

Waverly Troop Rough Riders, Raymond Troop Rough Riders, Emerald Troop Rough Riders, Lincoln Troop Rough Riders, Denton Troop Rough Riders, Hickman Troop Rough Riders, Havlock Republican Club, University Republican Club, Republican Colored Flambeau Club, Abraham Lincoln Republican Club.

Had its seating capacity been almost again as large the Auditorium would not have held all the people who turned out tonight to hear Senator J. C. Burrows of Michigan deliver the first republican speech of the campaign in this county.

Senator Burrows' speech was convincing throughout and made a deep impression upon his hearers. The speaker was introduced by Congressman Burkett. He began his remarks by saying that a victory for the democratic party would mean free silver and free trade, either of which would result disastrously for the nation.

Explains the Treaty.

He next called attention to the terms of the protocol and then to the terms of the treaty of peace, which Bryan helped ratify and which declared that Spain should evacuate and cede the archipelago to the United States.

A GREAT RECORD.

Hard to Duplicate it in Omaha.

Scores of representative citizens of Omaha are testifying on the following subject. Such a record of local endorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it.

Another Life Nailed.

YORK, Neb., Sept. 18.—(Special.)—Fugitives are well aware they are losing farmer votes in York county. They are desperate and this week's issue of Teller-Democrat, a fusion organ, publishes the following on the editorial page, giving it great display and prominence: "A Teller-Democrat representative was given an interview by Sergeant Boston of Company A, First Nebraska, who was with the boys in the Philippines. Mr. Boston was asked: 'How do you feel about the political situation?' He said: 'I have always been a republican. I never voted the democratic ticket in my life, but I cannot vote for what in my judgment is a great wrong.
